OUR PRODUCERS

Callebaut has been crafting its Finest Belgian Chocolate for more than 100 years. Trusted and relied upon every day by chefs and chocolatiers worldwide to create great tasting delights.

- Industry standard
- Belgian quality
- Founded 1911
- Sustainably grown
- Extensive range
- New ruby chocolate

Founded by Michel's parents in 1947, Michel Cluizel has distinguished itself through exceptional ingredients and sustainable relationships with cocoa and vanilla growers the world over.

- Three generations
- Founded 1947
- No soy lecithin
- Single origins
- Extensive range
- French quality

One of South Australia's culinary success stories, Carême Pastry has become the gold standard throughout Australia for top quality ready-to-use pastry products.

- South Australian
- Pure butter used
- 5kg rolls
- Spelt available
- Gluten free option
- No preservatives

The Moretti family carefully select the highest quality corn which is air-dried in open barns and ground. Vacuum packed bricks retain natural freshness and superior flavour.

- Polenta since 1922
- Air-dried corn
- Stone ground
- Gluten free polenta
- Buckwheat option
- Made in Italy

Regarded as the world's best risotto rice, Ferron is sold across the globe. Their Carnaroli and Vialone Nano are produced without the use of pesticides or herbicides.

- 350 years of rice!
- Organic farming
- Low broken grains
- Aromatic
- Al dente finish
- Not vac packed

Quality produce defines Mount Zero and all that it grows and gathers. This family-owned olive grove is committed to sustainable farming and ethical harvesting methods.

- Australian made
- Organic options
- Biodynamic options
- Alternative grains
- Pink lake salt
- Family owned

Forager Foods build a world-class freeze drying facility in 2009 to take advantage of the superior fruit available in Tasmania. The freeze drying method locks in flavour, colour and nutrients.

- Australian made
- Local berries
- Extensive range
- Powders available
- Intense flavours
- Custom products

Olsson's is the only family-owned and operated company producing salt in Australia. In 1968 they converted the Whyalla salt pans to harvest sea salt for livestock and culinary uses.

- Australian made
- SA sea salts
- No additives
- Redgum smoked flakes
- Extensive range
- Family owned

The vinegar barrels were started in 1967, the same year Ian Henderson, founder of Lirah Vinegar was born. The mother was used by the family for 35 years before the commercial enterprise.

- Australian made
- Barrel aged
- Highest quality
- Value for price
- PET packaging
- Large sizes avail.

Since 1981, Ravifruit has established itself as one of the world's leading suppliers of frozen fruit. Most of it is bought locally in the Rhone valley, France's biggest fruit production area

- Founded 1982
- 1kg easy use tubs
- Unrivalled quality
- Frozen whole fruit
- Gluten free
- 20+ fruits available

After 100 years of fish sauce production, Megachef reinvigorated the production of soy, oyster and fish sauces, becoming the world's best. Endorsed by the all round legend David Thompson.

- Gluten free
- Sustainable fish
- Traditional methods
- No MSG added
- Non-GMO soya
- Thai quality

Three generations later, Rustichella remains one of the few genuinely artisanal pasta producers left in Italy. An extremely high yield pasta which allows for par-cooking and reheating.

- Pasta since 1924
- 100% Durum wheat
- Bronze extruded
- High yield pasta
- Slow dried
- Over 40 shapes

Meru Miso is unpasteurised, living food, that is made in Australia using 100% organic ingredients. Traditional Japanese methods leave the miso with a coarser, hand-made texture.

- Australian made
- Gluten free
- Soy free option
- Organic ingredients
- Hand crafted
- Small batch

Hand-crafted and naturally fermented smallgoods using slow food techniques and locally sourced ingredients. Made in the Northern Rivers region of coastal New South Wales.
